

Oliver Geisselhart

Dipl.-Betrw. Oliver Geisselhart is one of the most successful mental and memory trainers in Europe. He was already with 16 years, Europe's youngest memory coach. He is the author of 14 books, including several bestsellers. Worldwide corporations like Bosch, Hewlett Packard, BASF, Microsoft, BMW, L'Oréal etc. book him. He is known through more than 4,000 newspaper, radio and television reports. Since 2017, he has also been a seminar organizer himself. The events he offers are regularly fully booked and receive the best participant feedback. He calls a spade a spade, speaks a clear language and, like no other, can adapt to the needs and wishes of his participants. Oliver Geisselhart places an extremely high value on absolute authenticity, openness, emotionality, cordiality and honesty - and his participants thank him for this. His clear mission is to bring the participants of his seminars to the unfolding of their full potential. And he does this with an astonishingly goal-oriented mixture of proven practical tips, modern spirituality, scientifically as well as neurologically based strategies, and humor.
