

Stephan Grabmeier

Stephan Grabmeier is one of the most distinguished masterminds of new work, innovation and disgusting business. His clients include the German business elite, including many board members and the top management of well-known companies. He is a Start Up Business Angel and supports global social business activities together with the Nobel Peace Prize winner Prof. Muhammad Yunus. As a partner of the Future Institut he is responsible for Next Generation Consulting at the institute. His current book „Future Business Kompass – the head opener for better business“ is one of the 99 best business books since the end of 2019 and is a must read for all change makers. His inspiring speeches make him one of the most sought-after speakers for future topics and the Next Generation of Business.
